

Orlando FSDO FAA Safety Team presents:

Pilot Medical Checkup with Dr John Koziarski Senior AME

Dr. John will cover a broad range of common questions/topics that pilots have regarding medical certification. These will include using over-the-counter (OTC) medications and flying, getting your medical back after a heart attack, what happens if a pilot gets a DUI, and things that you can do to help speed the certification process. Also to be discussed is the topic of sleep apnea, pilot fatigue, and how this can affect your medical certificate. He will also outline some of the recent changes/updates made to the medical certification process, especially in the area of neurology. As always, there will be time for your questions.

The Orlando FSDO-15 FAA Safety Team (FAASTeam), along with your local Treasure Coast FAASTeam, encourages all aviation safety-minded individuals to come and attend our every third Thursday of the month safety seminars.

COVID-19 Statement: Prior to attending a seminar, please review and abide by applicable CDC, State, and Local public health guidelines.

Event Details

Thu, May 18, 2023 - 17:30 EDT
Skyborne Airline Academy Vero Beach

3530 Cherokee Drive
Classroom M
Vero Beach, FL 32960

Contact: TIMOTHY PAUL WHALEN
(772) 812-1861
